Subject: I oppose the "Voluntary Assisted Dying" Bill

Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Hi,

I definitely oppose this bill as it is very contrary the Biblical principle of life being sanctioned. We need to help people who are struggling with life encouraging them to have a proper view of life not encouraging them to commit suicide and to take their own life. Please oppose this terrible bill.

Thank you,

Sincerely.

Joy Bola

Sincerely,
Joy Bola
