Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

To dear whom ever it may concern, I do not agree with the voluntary assisted dying bill, we are trying to stop suicide not help people do it. This is wrong. And against the will of God. I will never agree with this and hope that this bill never comes to light. Please do not let this happen. There are better ways to help people. Kind Regards
Brooke

Sincerely,
Brooke Bain
