Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Dear Member, I am totally opposed to this Bill in every aspect.

My Mother and Mother in Law both passed after extended dementia periods in excess of 5 years. This terrible period of time when extended family are forced to come together in care and honour of Motherhood was amazing. It also set an example for our Grand Kids of selflessness and the dignity of every life.

Your Bill undermines all the nuances of genuine care and in particular, lifelong commitment to another under the guise of Voluntary Assistance. Your proposed Bill is dangerous. Tolstoy rightly quoted " The line that separates good and evil runs through the he
