Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

I am writing to lodge my opposition to this Bill. Life is precious. I have nursed many relatives in their final days and they have been an important time in people's lives to say goodbye and resolve regrets. Palliative care allows people the time to do this. Please increase the beds available rather than assisting people to end their lives too quickly. Praying for a wise decision to be made.

Sincerely,
Gail Musch
