Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Dear Sir,

I want to express my concern and opposition against Voluntary Assisted Dying bill. I feel there are too many areas that leave Doctor, patients and medical facilities vulnerable.

There are not adequate health checks in place to facilitate real help for alternative care.

It appears to me to be a real rush job that looks as though the government is doing something.

I'm very disappointed.

Henny Velthuis

Sincerely,  
Henny Velthuis
