Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

I oppose the "Voluntary Assisted Dying" Bill that is at present before Parliament. As a medical practitioner. I am opposed to any interference in the Natural process of dying. I support the principle of Palliative Care. There is obviously a major deficit in Government funding for this process and hopefully that will be addressed in the near future. I wish you success in your efforts in opposing the Bill. Phelim Reilly

Sincerely,
Phelim Reilly
