**Position:** I/We support the Voluntary Assisted Dying Bill  
**Comments in relation to:** Eligibility criteria\*  
**Attachments:** No attachment

**Submitter Comments:**

I understand that this needs to be quite restrictive as a first step to getting this important piece of legislation through but in fact I believe is too narrow and should allow for older persons (maybe define a lower age minimum e.g. over the age of 75) to also choose this as a option for end of life to allow a death with dignity (not just because of pain and a terminal illness).
