Submitter Comments:

We rapidly euthanasia animals of all kinds if they are in pain and unlikely to survive.
Why is it that we treat our fellow humans with such disregard and disrespect.
It is criminal that we keep people alive and suffering when they have no hope of recovery.
Keeping people alive and suffering is also using up a considerable chunk of health funding and resources that could be put to better use.
If the appeal to your humanity does not move you then perhaps the sheer financial considerations will.
Thank you for your time
