Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Dear Sir/Madam/Member of The Health Committee.

I am strongly opposed to the "Voluntary Assisted Dying" Bill, on the following grounds:-

*No specialists in palliative care are required to examine or assess the patient before assisted dying processes are approved.

*No mental health assessments by specialised psychiatrists/psychologists are required.

* A doctor or nurse can raise the idea of assisted suicide options in the context of 'end-of-life' discussions with very vulnerable people.

*The Bill would legalise assisted suicide and euthanasia, paramount to murder!

This is definitely not "Health Care", but killing!

Please vote against this barbaric Bill.

Sincerely,

William Sybenga

Sincerely,
