Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Me the undersigned and my family are totally opposed to the Voluntary Assisted Dying Bill. We are what you could describe as the silent majority, in that we have never before been compelled to speak out against a Government proposal like this one. A Life and Death decision is not ours to make and our health community are also against killing as there prime objective is to save lives.

Should we have to go into the streets about this?

Please reconsider this proposal and be standouts in this State for upholding life over death.

Sincerely

Ted Cheetham and Family

Sincerely,
Ted Cheetahm
