Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Dear Yvette D'Arth

I oppose the "Voluntary Assisted Dying Bill".

Both the AMA and the Nurses' Professional Assn of Queensland oppose euthanasia.

It is against the Hippocratic oath that doctors take.

There is no requirement for patients to undergo a mental health assessment before requesting suicide.

It has loopholes which would enable elder abuse and coercion.

It has no protection for institutions which might have a conscientious objection to euthanasia.

The person is not required to be offered palliative care.

I would appreciate that my name not be published by the Health Committee

Yours sincerely

[REDACTED]

Sincerely,
