Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Please oppose the voluntary assisted dying bill. There are many reasons I oppose this bill, the most concerning being that it can be offered so freely. There should be mental health checks in place and this doesn't even ensure that a specialist is seen to. It's even been suggested to make it available through telecommunications. This makes euthanasia far too easy and thus open to spontaneous decisions and regret. It also stops conscientious objections and it falsifies the death certificate to say the illness killed them, not euthanasia.

Please stand against this sad, evil bill and vote no.

Sincerely,
Rebecca Anthony
