Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Dear Members of the Health Committee,

If you agree to this wicked legislation then you are agreeing to the MURDER of the elderly. It is not man's prerogative to take the life of the unborn or the elderly. Remember that if you do this it will happen to you I can assure you.

I know that it is already happening. Don't legislate to excuse what is happening.

In Holland after Legislation 1,000 were euthanized without permission. What a slippery slope you are going down. The consequences will be horrific.

Derrick K. Herschell

Sincerely,
Derrick Hetschell
