Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Dear HHealth Committee Members,

I see the push for euthanasia as nothing more than an agenda of death (as is abortion). Why is our government so determined to kill the elderly and helpless in our society? This evil and lack of respect for human life is indicative of an extremely sick society and must not be allowed.

Wherever euthanasia has been legalised, the results have been heartbreaking, with the 'slippery slope' always descending into some lower form than was originally intended.

Please do not legalise eugenics and murder, because that is what it is, in Queensland.

I do not wish for my name to be published.

Sincerely

[REDACTED]

Sincerely,
