Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Health Institutions & Doctors with conscientious objections should NOT be compelled to refer patients

. Patients should be required to see a Specialist for advice on pain relief (preferably a Palliative Care Specialist), & a Mental Health expert..

Trying to talk someone out of assisted suicide should NOT put you in jail.

Death Certificates should record the cause of death as 'euthanasia' NOT the underlying illness.

Sincerely,
Suzanne Ebert
