Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

I oppose the idea of voluntary euthanasia and assisted suicide because of my Christian beliefs. Instead of these changes, I strongly feel we need better palliative care for those in end of life situations, and better support for those contemplating suicide.

The passing of this new bill will put far too much power into the hands of medical people, and also sick and depressed people.

Sincerely,

Louise Fairhurst

Sincerely,
