Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

I am writing to voice my opposition to the Euthanasia Bill. It is a slippery slope to much abuse. We need good palliative care in Queensland. Sick and aged or distressed people need kind, respectful care. I'm very concerned that the bill is voted NO.

Please do not print my name.

Also Doctors and religious institutions should Not have to accept this against their conscience.

Thank you

Sincerely

Ruth webster
