

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 1061
Submitted by: [REDACTED]
Publication: Making the submission public but withholding your name
Position: I/We do not support the Voluntary Assisted Dying Bill
Comments in relation to: Conscientious objection by either individuals or entities
Attachments: No attachment

Submitter Comments:

The medical professions should not be involved in any way with murder. Patients have the right to trust their doctor. Medicos should have the right to their own conscience.

Other countries eg Netherlands have proven beyond doubt what a slippery slope it is as well as in this country with slaughter of babies in spite so called safeguards.

As far as we are aware communism has not completely taken over in Australia.
