

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 1068

Submitted by: Linda Gelding

Publication: Making the submission and your name public

Position: I/We do not support the Voluntary Assisted Dying Bill

Comments in relation to: The request and assessment process, Conscientious objection by either individuals or entities, Oversight and review

Attachments: No attachment

Submitter Comments:

-Medical professionals who are highly trained, are forced to participate even if it goes against their professional judgement.

-The President of the Australian Medical Association Dr Chris Perry told media that people need to be kept comfortable in their
