Submitted by: [REDACTED]
Publication: Making the submission public but withholding your name
Position: I/We support the Voluntary Assisted Dying Bill
Comments in relation to: Eligibility criteria*
Attachments: No attachment

Submitter Comments:

My life is just that- my life. If I reach a stage where I have a terminal condition, I wish to have the right to end my own life at a time of my own choosing where I hopefully can die with some dignity with the people I hold dear by my side.

Those who are opposed to VAD laws need not utilize them but please butt out where my life is concerned. My life is my life!
