having a sister who through her illness was unable to communicate and did not reconizeerise any individual you could tell that she didn,t want to be here

i have listen to all the information and stories attended meetings of human beings suffering and most of all there family suffering ,dying with dignity has been along time coming ,the continuing suffering by individuals and there familys ,has to be strongly considered i believe the choice should be available for a decision to be made the legislation allows that choice

i have listened to
