

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 1099

Submitted by: [REDACTED]

Publication: Making the submission public but withholding your name

Position: I/We do not support the Voluntary Assisted Dying Bill

Comments in relation to: Conscientious objection by either individuals or entities

Attachments: No attachment

Submitter Comments:

I believe that the process of dying under current palliative care arrangements is more than adequate. I understand that for some patients and family speeding up the process or choosing date or time may be wanted whereas I feel that the current process is adequate and provides the maximum comfort possible.

Death, and time of death should be left as natural as possible. Pain to be kept at a minimum as is currently done.
