Dear Sir / Madam,

I strongly support Euthanasia (voluntary assisted dying) for people that wish to take their own life. I make this statement as I used to be a Funeral Director and have personally seen the entire individual / family damages from suicide.

PLEASE pass the law in Queensland, so that a person(s) can take their life in such a more humanly way and process.

I do not believe in an eligibility criteria as each person(s) circumstance will be different. However they must seek and have consent from a GP / Hospital for the substance to be administered.

Yours faithfully,
