**Position:** I/We support the Voluntary Assisted Dying Bill  
**Comments in relation to:** Eligibility criteria\*  
**Attachments:** No attachment

**Submitter Comments:**

My Father took 12 months to die, a slow agonising death, with prostrate cancer. He was at home for the whole period. Now I have to go through this horror again with my 91 year old Mother. We put our pets out of their misery, so why is it permissible to allow our loved ones to suffer. If agreement has been met, by all sides, whilst in sound mind, why are we still debating this issue.
