

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 1133

Submitted by: Name withheld

Publication: Making the submission public but withholding your name

Position: I/We support the Voluntary Assisted Dying Bill

Comments in relation to: Conscientious objection by either individuals or entities,Other

Attachments: No attachment

Submitter Comments:

As someone who has lived through a loved one dying badly I want to express my strong support for passage of the bill as recommended by the QLD Law Reform Commission. With respect to the conscientious objection provisions, I believe they must ensure that those in religious hospitals, hospices and aged care facilities that want to avail themselves of the law, once passed, not to be denied their legal end of life rights.
