

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 1144
Submitted by: Mark Freeman
Publication: Making the submission and your name public
Position: I/We support the Voluntary Assisted Dying Bill
Comments in relation to: Conscientious objection by either individuals or entities
Attachments: No attachment

Submitter Comments:

Please do not allow others to object to a decision made by the actual dying person. I have watched my Mother and uncle die in extreme pain and had others refuse to 'add a little more painkiller' because of their religious beliefs - not those of the dying person. The person who should make the decision is the person dying.
