**Position:** I/We support the Voluntary Assisted Dying Bill  
**Comments in relation to:** Eligibility criteria\*  
**Attachments:** No attachment

**Submitter Comments:**

As someone with the responsibility of being the Enduring Guardian of a parent with Alzheimer's disease & vascular dementia, I am interested in what illnesses, specifically what types of dementia will be included. Our daughter is on the autism spectrum & in the possible situation that I get one of, or more, form/s of dementia & I outlive my husband, I would like to know that voluntary assisted dying was something I could legally do & not leave the burden of care to our daughter.
