QLD patient killing 1-7-21.

“Before Him will be gathered all the nations, and He will separate them one from another as a shepherd separates the sheep from the goats, and he will place the sheep at His right hand, but the goats at the left. Then the King will say to those at His right hand, 'Come, O blessed of My Father, inherit the kingdom prepared for you from the foundation of the world;

For I was hungry and you gave me food,
I was thirsty and you gave me drink,
I was a stranger and you welcomed me,
I was naked and you clothed me,
I was sick and you visited me,
I was in prison and you came to me.'

...

And the King will answer them, 'Truly, I say to you, as you did it to one of the least of these my brethren, you did it to Me.

Then He will say to those at His left hand, 'Depart from Me, you cursed, into the eternal fire prepared for the devil and his angels; for I was hungry and you gave Me no food, I was thirsty and you gave Me no drink, I was a stranger and you did not welcome Me, naked and you did not cloth Me, sick and in prison and you did not visit Me...

Then He will answer them, 'Truly, I say to you, as you did it not to one of the least of these, you did it not to Me.' Matthew 25:32-45.

Am I my brother's keeper? Yes.

To the above responsibilities to all who need such help, these days we must add the latest government proposals:

“I was in hospital, suffering great pain, and you did not help me because you thought it was too much trouble and you had better things to do with the tax payers' money. But you offered me a syringe full of poison and a health care professional to stick it in my arm.”

This is the proposal of various state governments.

“I was conceived out of my mother's womb in a glass dish. But the doctor said I might have an “abnormality” and must be flushed down the drain because my mother wanted someone perfect.” This is the proposal of the federal coalition government, who have put aside 96 million dollars for “eugenics” in the budget, for health care professionals to seek out and kill people with “abnormalities”.

“I was happy in my mother's womb for a while, then she was persuaded that I wasn't wanted, or I was the wrong sex, or I might have some “abnormality”. The state said “Forget adoption. Abortion is the answer! It's no longer killing, because we said so! Trust us, we are your new religion!” So a health care professional scraped me out in pieces and that solved that problem.

Is society becoming more caring as it goes along? It appears to be for some individuals who want a quick fix to their problems. But for the “least of My brethren” it appears to be murder plain and simple.
