

Submission into the Voluntary Assisted Dying Bill 2021

Submission No.: 1233
Submitted by: Selwyn Rayner
Publication: Making the submission and your name public
Position: I/We do not support the Voluntary Assisted Dying Bill
Comments in relation to: Safeguards, Conscientious objection by either individuals or entities
Attachments: No attachment

Submitter Comments:

This assisted dying goes against my Faith and is Legalized Murder. Therefore the concept of “ Do unto others only what you would have done to yourself” requires us allow nature to take its course while we make the terminal patient comfortable until death.
