Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

Dear Health Committee Members,

I'm writing to you to let you know that I oppose to the 'Voluntary Assisted Dying' Bill, scheduled to be debated and voted in September.

I think this is a very dangerous Bill which would lead to extra deaths in Queensland every year. Including people who would have wrongfully accessed assisted suicide because of wrong diagnosis, wrong prognosis, coercion, elder abuse, untreated mental anguish, or because they had little or no access to palliative care specialists and felt they had no other choice.

I also request that my name is not published by this Committee.

Thank you for your consideration.

Kind regards,

[REDACTED]

Sincerely,

[REDACTED]
