Re: I oppose the "Voluntary Assisted Dying" Bill

Dear Health Committee Members,

.Dear parliamentary rep. Please vote against this wicked legislation so that it does not become law and open the gates to all kinds of murder and suicide,because that is what will happen even if the politicians do not admit the facts. I thought God said " You shall not kill" and God has not withdrawn this "His command". Please read in the Old Testament about God's chosen people the Israelites that when they had a leader that followed what God commanded they won all their wars,and when they had an un Godly leader as we do today they lost all their wars. With Chtistian thanks. Sincerely Robert Ritter

Sincerely,
Robert Ritter
