

Waste Reduction and Recycling (Strengthening the Container Refund Scheme) Amendment Bill 2026

Dear Committee Members,

Would you please seriously consider being a leader in the CRS (Container Refund Scheme)
It is very clear that 10c is not sufficient for the average household to return drink containers.
My suggestion for any container that is aluminium or liquid paperboard a 10c refund is issued.
However any container in glass (beer, spirit or wine) I believe should should be a refund of 20c.
Many thanks to all for your consideration.

Faithfully
