TO WHOM IT MAY CONCERN

Please consider this submission into the "Fly in, fly out and other long distance commuting work practices in regional Queensland" inquiry.

I have done DIDO in the past (4 hrs each way) and found the travelling (4 on 4 off) has made me that I just hate the thought of travelling any more

FATIGUE - affects safety at work and relationships at home

People should be given the choice, not be made to

Regards

Joseph Van Der Werff
