TO WHOM IT MAY CONCERN

Please consider this submission into the "Fly in, fly out and other long distance commuting work practices in regional Queensland" inquiry.

Have been FIFO for 7 years  
Brisbane to Emerald

100% fifo is not fair on local communities there must be a mix as there seems to be discrimination to local workers.

Times the FIFO arrive and depart airport some fifo are sleeping up to 6 hours at airport because arrive in Bris 11.30 at night no connecting flights to Sydney or Melbourne until 5.00 next morning.  
No trains or bus at this time 11.30pm people are forced to drive or phone partner to pick them up .  
These FIFO have started their shift at 6.30 arriving at the airport 11.30pm have been awake for 17 hours.

Regards

Joe Maw
