TO WHOM IT MAY CONCERN

Please consider this submission into the "Fly in, fly out and other long distance commuting work practices in regional Queensland" inquiry.

Fatigue issues at work creating accidents and possibility of road accidents

Pressure on the family structure with separation from the normal family atmosphere

More community friendly rosters to encourage people to move with their families to support the communities they decide to live in, a choice is necessary, FIFO or be part of the local community

Regards

Alec Andrews
