TO WHOM IT MAY CONCERN

Please consider this submission into the "Fly in, fly out and other long distance commuting work practices in regional Queensland" inquiry.

I have not had experience with FIFO but I know FIFO workers took my mining job

If I had to do this, my concern is mental health, which is NOT taken seriously. Fatigue, isolation from family

Employ local people. Which they won't. Then take mental health seriously AND confidentially, production superintendents, supervisors to be trained on fatigue and mental health issues. Superintendents to do a week in our shoes, not be the untouchables that they think they are and treat us like humans and not machines. EMPLOY LOCAL PEOPLE !!

Regards

Christine Anderson
