Dear Mr Pearce

**Re: Heavy Vehicle National Law Amendment Bill 2015**

Thank you for your invitation dated 21<sup>st</sup> May 2015, to make a Submission in relation to the Heavy Vehicle National Law Amendment Bill 2015.

The Queensland Trucking Association Ltd (QTA) has an interest in all elements of the Amendment Bill in particular those matters identified in your invitation dated 21<sup>st</sup> May 2015.

QTA Ltd is the pre-eminent Industry Association in Queensland whose membership is representative of all elements of the freight task, geographically throughout Queensland, and is recognised as such by the Queensland Government. QTA Ltd has regularly appeared before Queensland Parliament Committees over many years.

QTA Ltd is a foundation member of the Australian Trucking Association (ATA). I am familiar with the Submission filed with your Committee by the ATA dated 24<sup>th</sup> June 2015. QTA Ltd has been directly involved in the preparation of the Submission filed by the ATA. In doing so, I have overlooked the preparation of this letter to inform you of our direct interest in the work of your Committee in regard to the Amendment Bill.

I apologise for my omission in not formally communicating before the 20<sup>th</sup> June 2015. Nonetheless I ask that you accept this letter as evidence of my Association's position in regard to the Amendment Bill.

QTA Ltd supports the ATA's submission in every respect and accordingly advances the view that your Committee recommends to the Queensland Parliament the adoption of the Bill incorporating the views and recommendations contained in the ATA Submission.

Should the Committee require any further information, submission or appearance, the writer may be contacted on 0418 724 981 or email [peter@qta.com.au](mailto:peter@qta.com.au).

Regards

**Peter Garske**
