SUBMISSION TO: Parliamentary Committees

Research Director

Infrastructure, Planning and Natural Resources Committee

Parliament House

George Street

BRISBANE QLD. 4000

Dear Committee Members

I am concerned about the lack of perceived transparency in Local Government, particularly in the Redlands where planning and development rules and guidelines are not being adhered to.

I strongly agree with and support the objectives and intent of the Crime and Corruption Report and I request the Parliamentary Committees to fully endorse the recommendations in the Bill.

This will ensure that Local Governments act with integrity and accountability in their decision making. The community expects this from our elected representatives.

Yours faithfully

Gwenda Casey
