Dear Mr Pearce

Re: Local Government and Other Legislation Amendment Bill 2015

Thank you for your invitation dated 10th April 2015, to make a Submission in relation to the Local Government and Other Legislation Amendment Bill 2015.

The Queensland Trucking Association Ltd (QTA) has an interest in the *deferral of the commencement of Chapter 2 (Registration) of the Heavy Vehicle National Law Act 2012, until 1st July 2018.*

QTA Ltd is the pre-eminent Industry Association in Queensland whose membership is representative of all elements of the freight task, geographically throughout Queensland, and is recognised as such by the Queensland Government. QTA Ltd has regularly appeared before Queensland Parliament Committees over many years.

QTA Ltd is a foundation member of the Australian Trucking Association (ATA). I am familiar with the Submission filed with your Committee by the ATA dated 27th April 2015.

QTA Ltd supports the ATA's submission in every respect and accordingly recommends that the Queensland Parliament pass Part 3 of the Bill which would defer the commencement of Chapter 2 (Registration) of the Heavy Vehicle National Law Act 2012 until 1st July 2018.

Should the Committee require any further information, submission or appearance, the writer may be contacted on 0418 724 981 or email peter@qta.com.au.

Regards

Peter Garske
