REPORTED LIST OF INCIDENTS INVOLVING UBER AND LYFT

Uber's process for onboarding drivers is dangerously negligent. Neither Uber nor Lyft uses fingerprints or law enforcement to background-check their drivers. And Uber doesn't even bother to meet with drivers in person before allowing them to ferry passengers.

The result is a series of incidents involving "ridesharing" passengers being harmed and criminal offenders behind the wheel:

Deaths | Assaults | Sexual
Assaults | Kidnappings | Felons | Imposters | Drivers
DUIs & Other
