I wish to make a submission in respect of the proposed legislation.

Since when have we Queenslanders allowed a foreign entity into our State to conduct business in contravention of our laws? In 2014 Uber was issued with a "Cease and Desist" notice which it ignored and illegal taxies continue to operate.

Of course I support the proposed Amendment. In fact I believe the Legislation should be amended to include demerit points, increased fines, vehicle impoundment and imprisonment.

We cannot allow foreign entity to operate in contravention of our laws.
