Subject: Regarding Demerit points (Bill)
Date: Thursday, 8 October 2015 7:39:34 AM

Hi, please bring demerit points for illegal taxis. These unlicensed and illegal taxis are picking and dropping customers without taxi license. Illegal taxis are flaunting Australian laws, tax, GST, rules and regulations. We as a public have really fear about their safety standards and especially their overseas insurance.

Legal taxis are regulated by state government and to own and pay off the taxi license is their old age superannuation. Legal taxis gives millions of Gst abd tax to government.

Legal taxis should be treated fairly because these legal taxis are available 24 hrs for our public and especially helping disable people too.

Please tell us " Where does the legal taxi stand".Please show your stand for legal taxis to bring that demerit points for Black market (illegal taxis.)

Thanking you
