To Whom it may concern,

I am writing to you regarding our investment in a Taxi license, which I hoped would have covered our retirement.

Illegal operators in this industry that my investment is tied up in, are causing us to lose money at a fast rate.

I have recently paid the government \$107.00 in license fees.

Please explain to me how does this work at the present time as illegal operators users pay nothing. a level playing field would be the best outcome possible.

It is a simple case of, if we lose our investment. the government will have to take care of us in our old age.

I look forward to your reply at your earliest convenience.

Yours faithfully,
