Re: Submission to Parliamentary
Committee,
Show just Cause re Uber.

As a Taxi licence owner for over 30 years.
I wish to draw to the attention of our elected
members of the lack of enforcement of the
Transport laws already in place which must
be complied to by all of our Industry.
Uber so far remains unchecked and needs
immediate attention. The laws must be
applied to all. Urgent attention is needed
to right the existing situation.

Sincerely,
Hugh J. Coogan.
