Submission No. 282

Respected Sir / Madam

I write in support of the transport legislation (Taxi Services) Amendment Bill 2015.

I am writing this because Uber is effecting my & my partner's livelihood in big terms.

He has put all his savings to get partnership with his brother in taxi industry.

Now, ~~when~~ he has lost his all savings & Uber is taking all the work away.

Its very hard for us to pay back our mortgage/loan.

He is paying lots of money for regulations.

We are also starting to plan for kids. This has put our future at risk.

Please stop Uber. Lots of people are losing their job, houses, money just because of this illegal Company who doesn't even contribute to our economy.

Please don't put our lives at risk. Please do something.
Please stop this before its too late.

Thanks
