Dear Sir or Madam,

I am an owner of a licensed taxi for Mount Tamborine & Canungra, in the Gold Coast Hinterland region. I want to submit that it is most unfair for any illegal taxi service to exist. The taxi industry has been formed on regulations that have been carefully considered within parliament over many years. Those regulations are in place to protect the taxi owners, their drivers and their customers. I am writing to lend my voice to those of my fellow industry businessmen and women, whose livelihoods are threatened by services that operate outside of the current Taxi regulatory body.

Yours faithfully,

Beverley Oliver
