The Chairman  
Infrastructure, Planning and Natural Resources Committee

Dear Madam/Sir

Re: Submission- Transport Legislation (Taxi Services) Amendment Bill 2015

We support the amendment Bill. Demerit points must be brought in as a deterrent against Illegal Taxi Services. The current issuing of fines has failed. All fines to date have been paid or are being challenged by a foreign company. Who encourages & profits from illegal Taxis in Queensland.

To date illegal Taxi activities seem to be growing in Queensland, as all current deterrents have failed. Transport compliance activities have ground to a halt. Please introduce the demerit points as a addition to the monetary fines currently in place.

Thank you

A & V Isai
