Date: Wednesday, 21 October 2015 10:53:23 PM

Dear Committee Members.

I support the Private Members Bill to issue demerit points to illegal taxi operators.

Up till now illegal Taxi operators have had their fines paid by a foreign company that does not respect the rule of law in this State. A cease & desist order has been ignored .

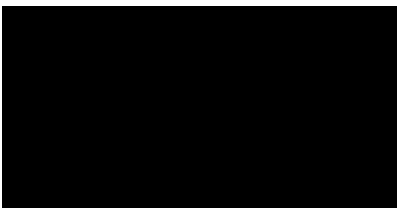

Illegal taxi operators continue to operate in Queensland. The Government must agree to harsher penalties to enforce its own laws. The legal taxi industry complies with all laws & regulations.

The livelihoods of thousands of Queensland families who abide by all these regulations are at risk. These are all small business operators, self funded retirees & employees of the legal Taxi industry.

I ask you to support The Transport Legislation (Taxi Services)Amendment Bill 2015, which proposes to increase penalties through the demerit points system for those operating a illegal taxi service

Yours Sincerely

Mr. Agron Kello
