Subject: Submission for Transport Legislation (Taxi Services) Amendment Bill 2015
Date: Thursday, 22 October 2015 2:03:56 PM

Dear Committee Members

I write in support of the Transport Legislation (Taxi Services) Amendment Bill 2015.

I am an owner of a taxi license. The taxi industry abides by all legislated regulations, unlike UBER who does not abide by any of these rules and regulations, including those which pertain to safety, insurance, licencing and taxes. We pledge to continue to uphold the laws of Queensland.

The service provided by the taxi industry remains the safest not just for the public but for the drivers as well.

Please do not let these illegal apps continue to operate in the taxi industry. I urge you to support the Transport Legislation (Taxi Services) Amendment Bill 2015 which proposes to increase the penalty for those operating illegal apps through the demerit point system.

Yours sincerely

K. S. Randhawa
