Hi there,

I am a taxi operator in brisbane who runs couple of taxis. I have been with this industry for over 11 years now. I am deeply concerned about illegal taxi flaunting tax, Gst, laws, rules and regulations. Demerit points should be given to these illegal service providers as soon as possible to protect the legal regulated taxi. Please consider our concerns to make it happen. Illegal taxi doesn't run the same way legal taxi does. Taxi owners with the huge bank loan and everyday bread and butter is getting affected by illegal taxi. Taxi owners have spent hundred of thousands to own this taxi license. Please get Demerit points bill happened as soon as possible.  
Thanking you

Muhammad Aqeel
